*Office of the Principal*

January 25, 2023

Dear Chevy Chase Elementary School Families,

I am sending you this letter to alert all families of two different incidents that occurred after school dismissal which have come to our attention.

The first occurrence was last week where a man wearing a ski mask and driving a silver pick up truck followed three of our students on their walk home from the bus stop. This incident happened several days in a row. The boys shared the information with their families and the police were called.

The second occurrence was yesterday where a female student was walking home. An older man, gray hair wearing a blue and yellow jacket followed her closely for six blocks. The police were also called. All students are safe.

MCPS Security was notified. The MCPD are investigating through neighborhood cameras.

Please speak with your children reminding them to go directly home from school, discuss what your child should do if they are ever approached in any way, and to report the incident to an adult as soon as possible.

Thank you,

*Jody L. Smith*

Jody L. Smith, Principal
